WINE TASTING 101

This is an entertaining, interactive wine tasting for the unpretentious crowd. It is simple: You do not need to know wines, to enjoy wines. This is not for the wine snob! Taste a little, learn a little. Have Fun.

There will be up to 4 wines to try (2 Reds, 2 Whites). Our WINE POURER will give 4oz.pours (or less) and give tips on how to Swish, Swirl, Sip and Savor the wines. You will learn what to look for when tasting and smelling the wines. You will learn about the grapes and more.

WINE BLIND TASTING

Our WINE POURER selects four wines, covers the labels and gives each guest a tasting. With pen & paper in hand, they write down their “tasting notes”. Do you taste blackberries or raspberries? Is it woody? Is it a Reisling? Is it a Burgundy? Guess the grape, the region, the wine. Later on the WINE POURER unveils the wines. Award your guests prizes!

ROVING WINO

Know a little about wine? A lot? Are you a wine novice or a wine connoisseur? Our Roving Wino Trivia Snob roams the room - stopping tableside and asking guests various wine-related trivia questions. Questions range from easy to moderately difficult. Prizes are handed out for every correct answer.
